

Paycor

Franchise Solutions

Optimize Your Business Practices and Maximize Your Resources

You're committed to supporting and protecting the Little Caesars brand – and growing your business. Paycor can help drive your success with intuitive HR, payroll & compliance solutions.

Why Paycor?

Paycor helps Little Caesars franchisees drive profitability and build their brands with an intuitive, cloud-based system. More than 30,000 small and mid-sized organizations across America choose Paycor for easy-to-use solutions that improve efficiency and streamline processes.

Our scalable solutions are built to assist Little Caesars franchisees with one or hundreds of locations, by offering a suite of products that include HR, payroll, Applicant Tracking, electronic onboarding, WOTC, and Affordable Care Act reporting.

Little Caesars Pricing

Paycor's partnership with Little Caesars means each franchisee benefits from the value of automated employee management systems at an exclusive pricing structure.

Dedicated Little Caesars Service Team

Our personalized service model has received prestigious Stevie Awards for customer service. Even better, we have a team dedicated to Little Caesars that includes your sales representative, client service specialists, and implementation consultants with a comprehensive knowledge of your business.

“Paycor is the easiest vendor I have to work with. I really don’t have to worry about anything because they handle it.”

—Bill,
Little Caesars Owner

Integrated Technology

Streamline your processes and mitigate compliance risk.

Business efficiency tools that allow you to:

- Manage HR processes easily with an all-in-one solution.
- Integrate your point-of-sale system with our Perform platform for a seamless payroll process.
- Automate employee benefits elections through our open enrollment portal.
- Monitor employee data with a custom reporting feature that encompasses HR and payroll.
- Control costs with custom reports that reflect earnings, overtime and vacation.
- Track hours and earnings for monthly payroll and Workers’ Compensation reporting.

Reduce your risk of costly penalties and fines:

- Meet compliance requirements for the Affordable Health Care Act, FLSA and the Department of Labor.
- Utilize turnkey HR solutions via QSR On-Demand and QSR Support Center.
