Why is Paycor Good for the Bank & Banker?

- We want Fifth Third business clients paying their employees through Fifth Third Bank
- Keeps deposits and transaction volume at bank
- Helps you become a better advisor to your clients by uncovering other banking opportunities, improving client loyalty, and providing Membership Advantage benefits to the employees of your business clients
- Helps the bank acquire and retain clients by giving preferential pricing to Fifth Third clients
- Revenue sharing for Fifth Third
- Individual incentives

Who is a Good Prospect?

- Any business with 1-1,000 employees
- Clients and prospects with an existing HR and payroll solution
- Clients and prospects who need help with:
 - HR and tax compliance
 - Employee handbooks
 - New hire reporting

Questions to Uncover Opportunities

1. How are you managing HR and payroll for your employees?
2. How would an easy-to-use payroll solution help your business and employees?
3. Did you know that you will receive preferred pricing if you are a Fifth Third client?
4. When can I schedule time for you to talk to my Paycor partner and help you learn more about 53 HR and payroll powered by Paycor.

Paycor was founded to put client success and satisfaction first.
That singular focus guides us to this day.

That's why more than 30,000 organizations trust Paycor's Human Capital Management solution to help them manage their most valuable asset—their people.
